

HARNISH DRIVE

Construction Project

Construction Update: November 6, 2021

The Harnish Drive project is substantially complete - with the brunt of the work finished.

At this time the contractor is working on punchlist items that need to be addressed or adjusted throughout the project.

Project Overview

As part of the reconstruction of Harnish Drive from Randall Road to Hanson Road, the Village will repair and resurface roadways, as well as improve drainage, patch driveway and curbs and address ADA improvements such as striping of pedestrian crosswalks. The project includes improvements to Harnish Drive, Chatham Circle, Flora Drive, Sutcliff Court, Sandpiper Court and Fairfield Lane.
