DRIVE

Construction Project

Construction Update: November 13, 2021

As this reconstruction project wraps-up, we thought it would be fun to look back and see how Harnish Drive has transformed over the past few months. Watch this before and after video of Harnish Drive from Randall to Hanson roads to see for yourself.

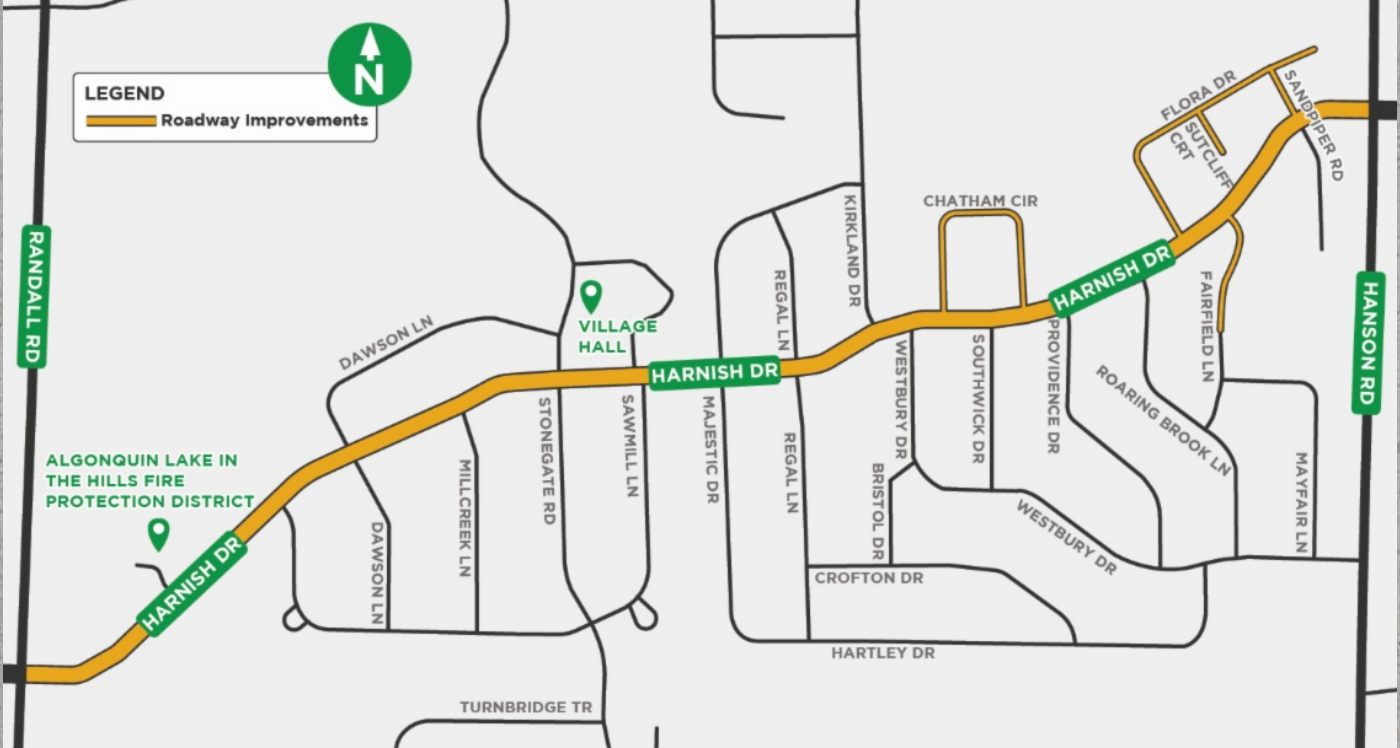

Project Overview

As part of the reconstruction of Harnish Drive from Randall Road to Hanson Road, the Village will repair and resurface roadways, as well as improve drainage, patch driveway and curbs and address ADA improvements such as striping of pedestrian
